

Trusted Labour Plug

Vetted workers for homes & businesses — Mbarara, Uganda

VETTED. TRAINED. GUARANTEED.

Kijungu Road, Mbarara City, Western Uganda · +256 778 316 499 · trustedlabourplug.com

We connect homes, hotels, schools and businesses with workers who are identity-verified (NIN), background-checked and trained — and we stand behind every placement.

What we do

- Home help — housemaids, nannies, cooks, cleaners and caregivers (live-in or day).
- Business casual labour — cleaners, porters, waiters and kitchen staff by the day, week or month.
- Recruitment — we source, screen and shortlist skilled and semi-skilled staff for you.

Why families & businesses trust us

- NIN-verified, background-checked and trained before placement.
- 90-day replacement guarantee on household placements.
- We employ, pay and manage the worker — you pay the company, never the worker.
- Workers paid on time every month; a welfare hotline protects everyone.
